**Cut out the sentence strips and put them in order. The first one is done for you. \*REREAD THE STORY.**

1. The school was celebrating its 50<sup>th</sup> anniversary.

Some of the children liked painting so much that it became their hobby.

The class and their parents painted a mural.

A reporter came to interview Mrs. Sanchez's class.

Mei Lee saw a mural painted on the pet store.

Each class had to make a big project.

The class decided to paint a mural that represented their community.

The class brainstormed ideas for their project.
